Saltzer Medical Group leased the 20,000-square-foot second floor in Medical Office Building West, under construction fronting the east side of Eagle Road just south of Franklin Road in The Portico at Meridian development. Move-in expected next spring. Sherry Schoen of Grubb & Ellis Idaho Commercial Group brokered the transaction. The 80,000-square-foot building is one of two identical medical office buildings under construction in the 24-acre Portico development, adjacent to St. Luke's Meridian Medical Center. Engineered Structures Inc. is the general contractor. Gardner Ahlquist is the developer.
